

# “Road Movie”

Corina Tuyama & Mariana Gruber

I'm free  
Setting forth in the universe

Leave it to me as I find a way to be  
Consider me a satellite forever orbiting

I'm tired of driving 'til I see stars in my eyes  
It's all I've got to keep myself sane, baby  
So I just ride

Won't be the last  
Won't be the first

Find a way to where the sky meets the Earth

Lifting up an empty cup, I ask silently  
That all my destinations will accept the one that's me  
So I can breathe

I've got this life  
And the will to show  
I will always be  
Better than before

Have no fear  
For when I'm alone  
I'll be better off  
Than I was before

Everyone I come across in cages they bought  
They think of me and my wandering but I'm never what they  
thought

I've been travelin' too long  
I've been trying too hard

I hear the birds on the summer breeze

Don't come closer or I'll have to go  
Owning me like gravity are places that pull

Suddenly swallowed by signs  
Lo and behold  
Gonna rise up

I believe in the kindness of strangers  
And when I'm at war with myself I ride, I just ride.

Society, you're a crazy breed  
I hope you're not lonely without me

Society, crazy indeed  
Hope you're not lonely without me

It's alright and all wrong  
For me it begins at the end of the road

There's a big, a big hard sun  
Beating on the big people  
In the big hard world

Forty days and forty nights and it's still coming down on me

Every night I used to pray that I'd find my people, and finally I did on  
the open road.
